PROFESSIONAL PROFILE

15 years' experience across **consulting**, **entrepreneurial environments** and **multinationals**. Expert in **leading complex projects on time and budget**, combining strategic vision with practical execution. Recognized for **reliability**, **collaboration**, and the ability to **facilitate decision-making**, bringing a mix of pragmatism and sophisticated analysis to both **strategy** and **execution**.

SKILLS

A **solid, cross-functional personal and professional journey** has allowed me to develop **vision**, **method**, and **leadership**. I am ready to lead **digital transformation** programs as Chief of Staff or Head of Project Management.

- ✦ **Hard Skills:** Strategy-to-execution translation, Operating cadence & execution discipline, Data-tech-business cross-functionality, Analytical deep-dives & business-case design, advanced Excel and PowerPoint.
- ✦ **Soft Skills:** C-level engagement, task prioritization, critical thinking, people management, pragmatism, attention to detail, problem solving, strong communication and active listening, reliability.

EDUCATION AND COURSES

- ✦ Università Commerciale Luigi Bocconi: Master of Science in **Marketing Management**, 109/110.
- ✦ Università Commerciale Luigi Bocconi: Bachelor Degree in **Economics and Management**, 101/110.
- ✦ Languages: English Upper-intermediate (high B2) – approaching C1, Italian native.
- ✦ Continuous **self-empowerment** journey aimed at deepening **self-awareness** and driving **personal growth**.
- ✦ November 2022. From **entrepreneurial idea** to **financial modeling**.
- ✦ December 2022. **Negotiation**: conflict, networking, and partnerships – **Advanced level**.

EXPERIENCE – LAST 10 YEARS

CLIENT DIRECTOR at **ALKEMY SPA** (from June 2022 – current job)

- ✦ Accountable for revenue and profitability by client. I coordinate cross-functional teams and internal/external stakeholders, ensuring deadlines, quality, and budget compliance. I promote PM culture and tools.
- ✦ I translate business priorities into execution across go-to-market and transformation initiatives, bridging strategic direction with hands-on delivery..
- ✦ **Key outcomes:** Built a profitability tool that accelerated decision-making and maximized resource utilization; combined technical, controlling, and go-to-market expertise to drive company-wide adoption.

SENIOR MANAGER at **JAKALA SPA** (from February 2020 to June 2022)

- ✦ Acted as a bridge between top management and delivery, translating strategy into execution and implementing complex business initiatives.
- ✦ Directed multifaceted programs, aligning sales & marketing strategy with data & tech implementation, coordinating resources and leading multidisciplinary teams to achieve cross-functional objectives.
- ✦ **Key outcomes:** Led global RFPs, orchestrating business and technical stakeholders; built pricing models and managed vendors/negotiations end-to-end, ensuring execution feasibility, clarity of scope and delivery accountability.

BUSINESS INTELLIGENCE LEAD at **ESTEE LAUDER COMPANIES** (from March 2016 to February 2020)

- ✦ Led Corporate Business Intelligence and Business Transformation projects with a transversal approach across functions. Enabled leadership decisions by translating complex data into clear insights and executive-ready materials.
